FRONT-END DEVELOPER

SUMMARY

Ambitious and motivated React Front-End Developer passionate about creating UI effects, animations, intuitive and dynamic user experiences. Skilled in React, JavaScript, HTML, CSS, etc. Having a background in finance and audit I can bring strong business, analytical, statistical, and mathematical problem-solving skills to your team.

EXPERIENCE

Front-End Developer
Voidverse Studios, Canada – full-time contract.   *06/2023 – Current*
- Developed a fully functional company website utilizing React and Next.js.
- Led the entire development process, starting from initial concept design to competitor analysis and prototyping.
- Utilized Tailwind CSS to implement design for the website and React-spring for animations.
- Utilized Figma to create designs, collaborating with the customer to meet requirements and preferences.
- Demonstrated strong project management skills by single-handedly leading the development process, effectively meeting deadlines, and delivering a successful final product.

Front-End Developer
Stellar Personnel, Canada   *03/2023 to 06/2023*
- Developed and maintained responsive web applications using React (MUI, Bootstrap).
- Built from scratch and launched a company website that receives over 100 visitors per day.
- Built a custom admin dashboard with charts and dynamic tables for data viewing, filtering, and modification.
- Integrated front-end code with backend APIs, using Redux for seamless data exchange.
- Facilitated strategic planning for web app development, including website structure flowcharts, tech stack selection, and insightful advisory on UX design.
- Collaborated with a cross-functional team to translate design concepts into functional code.
- Utilized Git for collaborative code management, branching, and merging.

Front-End Developer
Non-commercial experience   *08/2022 to 03/2023*
- Developed and maintained responsive web applications and websites using HTML, CSS, JavaScript, and React.
- Enhanced website performance, responsiveness, and accessibility through front-end solutions.
- Provided consultations on mathematics, geometry, and probabilities for game development projects.

Financial Statement Auditor
Staff Accountant (Audit), KPMG Canada, Canada   *06/2022 – 08/2022*
Auditor (A3), KRESTON UKRAINE LLC, Ukraine/United Kingdom   *09/2021 – 04/2022*
Auditor (A3), BAKER TILLY UKRAINE LLC, Ukraine   *12/2018 – 09/2021*
- Utilized audit software and tools to analyze financial data and identify potential risk areas.
- Communicated findings and recommendations to clients and internal team members.
- Assisted in the development of internal audit processes and procedures.
- Managed and trained junior specialists.
